

OeAD (Österreichische Austauschdienst)-GmbH

Silvia Riegler

The OeAD- Austrian Agency for International Cooperation in Education and Research

- The OeAD is the central service point for European and international **mobility and cooperation programmes** in education, science and research.
- As a **full service provider** we deal with the creation and implementation of the programmes.
- We coordinate international **higher education marketing** and represent Austria as a location for learning and research around the world.
- We are **expert partners** for strategic tasks in international cooperation.

ICM – Centre for International Cooperation & Mobility

- **Department within the OeAD** in charge of international cooperation and mobility programmes
- **Grants financed** by the Federal Ministry of Education, Science and Research (BMBWF)
- **Third party grants** under individual agreements
- **Administrative support of** international cooperation projects in education and research
- **Personal support** for scholarship holders at the relevant higher education locations in Austria (regional offices)

OeAD Services for Mobility

OeAD Regional Offices

The OeAD has Regional Offices in Graz, Innsbruck, Klagenfurt, Leoben, Linz, Salzburg and Vienna. The offices offer service for OeAD scholars, administer the EU student mobility programme Erasmus and offer guidance for Austrian & international students and researchers.

OeAD Housing

The OeAD Housing Office is a separate limited liability company in the ownership of the OeAD. For OeAD grant/scholarship recipients, Erasmus students and visiting professors the OeAD Housing Office provides accommodation (flats or places in student halls of residence) in all Austrian university towns.

University Preparation Programmes (Vienna, Graz, Leoben)

The University Preparation Programmes offer intensive courses for foreign applicants for a place at university to prepare them for supplementary examinations prescribed by the universities. The OeAD is the legal entity for the University Preparation Programmes.

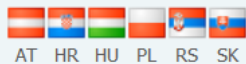

CEEPUS (Central European Exchange Programme for University Studies)

- www.ceepus.info

Bilateral "Aktionen" (Slovakia, Czech Republic, Hungary)

The "**Aktionen**" between Austria and the neighbouring countries **Slovakia, Hungary and Czech Republic** enable scientific exchange between the neighbouring countries and support the learning of each other's language. Different scholarships for students, lecturers and researchers as well as project funding support bilateral cooperation with the aim of creating sustainable relationships.

- Mobility through scholarship programmes
- Bilateral cooperation projects
- Fostering the language acquisition of the neighbouring country

www.oead.at/aktionen

International Cooperation – “Scientific & Technological Cooperation”

- Mobility scholarships for bilateral research projects
- international cooperation activities of Austrian higher education and research institutions in the fields of science and technology
- Financing mainly of travel and accommodation costs (no overhead costs)
- Two-year projects
- Active bilateral agreements are currently in place with Argentina, Albania, Bosnia and Herzegovina, Bulgaria, China, France, India, Croatia, North Macedonia, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia, South Africa, South Korea, the Czech Republic, Ukraine and Hungary.
- www.oead.at/wtz
